CITY OF
Port Adelaide Enfield

Ward Councillors

Port Adelaide Enfield Council comprises a Mayor and 17 Councillors, distributed around seven wards that take in the whole of the City. These are your representatives, your voice in Council on matters that concern you in your area, and they are the people who make the policy decisions that guide the Council's administration in its daily work. If you have any concerns that should be brought to the attention of Council, please contact one of the Elected Members in your Ward.

MAYOR'S MESSAGE

Hello and welcome to the 'Winter' edition of Pen2Paper. As always, it has been a busy few months here in the City of Port Adelaide Enfield.

It was exciting to have the cast and crew from the Chinese TV show 'Speed' filming throughout the region recently, especially seeing stunt people right outside my office on Nile Street in the historic precinct of Port Adelaide.

Council have a number of big projects underway right across the region. We have finished our first stage of consultation for the Lightsview Indoor Recreation Hub and received lots of fantastic input from our community about what they want to see in the facility.

We have also undertaken an initial consultation on our Animal Management Plan to get a range of ideas about how we can make our city a better, safer place for you and your pets.

Wonderwalls brought a number of amazing new artworks to walls in Port Adelaide during April as well as a huge influx of visitors, with many local business owners having one of their busiest days ever. There are photos online, however, it is definitely worth downloading a map from the Wonderwalls website and going to see them in person to admire the sheer scale and beauty of these pieces.

As winter brings in colder weather, we still have plenty of events and activities happening. A number of events coming up have been supported through our grants program, and of course our libraries and community centres continue to be a hive of activity throughout the year.

I am proud of the diversity of the work we do here at our Council and in particular, the hardworking people who go above and beyond. To highlight this, we have started rolling out a series of short videos from across council, which give our residents a glimpse into the jobs we do and the people who do them; you can find these on our Facebook page by searching for 'City of PAE'. Keep an eye on our website and social media to stay up to date with what is happening in our city.

Mayor Gary Johanson

KEY DECISIONS

Your elected members meet every month to discuss a range of matters related to community life. Meetings are open to the public and everyone is welcome to attend. Here are just some of the key decisions made at recent meetings.

Meeting held 14 March 2017

- Following the success of the previous Klemzig Reserve Cinema Night, Council has set aside \$5,000 for another event in Spring/Summer 2017.
- Council endorsed the pilot of a Place Making approach, see page 12.
- Council endorsed its continuing opposition to rate capping, recognising that Port Adelaide Enfield Council has been amongst the lowest residential rating metropolitan councils over a number of years.

Meeting held 11 April 2017

- Subject to the consent by the Minister for Sustainability, Environment and Conservation and community consultation, Council in its capacity as landlord, agreed to the establishment of a new lease for Sunnybrae Estate with existing tenant for a base term of 42 years.
- Council endorsed plans to proceed with the development of a new shared use path around the outside of the Semaphore Palais Hotel marquee, including work on related revegetation and dune rehabilitation.

Meeting held 5 May 2017

- Council committed to join and participate in the Welcoming Cities Network.
- Recognising the \$293,000 contribution towards the Taperoo Park Project from the State Local Government Partnership grants, Council resolved to progress this multi-year project.

"The City of Port Adelaide Enfield acknowledges and pays respect to the traditional custodians of the land on which we stand, the Kaurna people of the Adelaide Plains and pays respect to Elders past and present. We recognise and respect their cultural heritage, beliefs and relationships with the land. We acknowledge that they are of continuing importance to the Kaurna people living today"

MEET YOUR COUNCILLORS

LEADERSHIP

A City confident in its leaders

NORTHFIELD WARD

Cr Anne-Marie Hubycz

Over the years I've had many favourite places in Northfield Ward! Currently my favourite is the Valley View Golf Course and Driving Range. I do not have an official handicap and at this Par 3 you do not need one to enjoy a round of golf. It's convenient to have the driving range next door where you can have fun hitting a bucket of balls to practice your swing, which is where I began when I first started playing golf in my 20s. My family have enjoyed playing this course for many years, introducing my daughter to golf at a young age. Give golf a go! Currently we are undertaking a review of our three golf courses: Glanville, Valley View and Regency Park.

Cr Mark Basham

When asked for my favourite place in Northfield Ward I thought of the many places I regularly visit where I have had significant input into its design, upgrade or other special meaning for me. These include the Roy Amer Reserve at Oakden, Greenacres Reserve, Duncan Fraser Reserve - where I coach footy, Edward Smith Reserve - my old home ground, Hillcrest Community Centre, Thomas Turner Reserve or my favourite coffee spot - Urban Lights Cafe in Lightsview. I chose LJ Lewis Reserve Dog Park as I spent years working for Council to have dog parks and this was the first one constructed in our Council; and our family loves to take Patch here for a run.

Cr Matt Osborn

Northgate Reserve is one of the many stunning parks enjoyed by the residents of Northfield Ward. My wife and I love leisurely walks around the lakes where families walk their dogs and kids zip by on their bikes or have fun on the playground. The native shrubs and grasses provide a home for the ducks, and also frame a picturesque environment. I'm proud that our Council is investing in inclusive places where our community comes together, like the first-class sports and community centre that we will be building in Lightsview, public toilets in Roy Amer Reserve, and the upgrades we are planning for Duncan Fraser, FJ Garrad, and Thomas Turner Reserves. Our community is growing, and I will keep working hard to deliver the local infrastructure and investment that we deserve.

Mrs Le, His Excellency The Honourable Hieu Van Le, artist Ben Leslie, Mayor Gary Johanson and Mrs Vicki Johanson.

Tutti Arts, Visual Arts Coordinator, Patricia Wozniak, Mrs Le, His Excellency The Honourable Hieu Van Le and Mayor Gary Johanson

GOVERNOR TOURS OUR CITY

In March, we welcomed His Excellency The Honourable Hieu Van Le, Governor of South Australia, and Mrs Le for a tour and overview of some of the exciting projects happening in our city at the moment.

We were thrilled to be able to show off some of the major projects and showcase our plans for new facilities and infrastructure in the community.

The morning was spent visiting key locations as part of our activation program in Port Adelaide, including Fontanelle in the old Post Office, Mixed Creative in the old hospital, the Port Admiral which is undergoing renovations ready for opening in August, and the First Commercial Hotel.

The group then boarded a bus to visit the other exciting projects Council is undertaking across the city.

The first stop was the new Dock One development which kicks off in the Port soon. Next was the new Taperoo football facility, followed by the new Roy Marten dog park.

After passing through Techport, the Outer Harbor Passenger Terminal, and Semaphore Road, the group travelled to the eastern side of the city to view the site for the new Lightsview Indoor Recreation Hub and the new Parks Library and Community Centre and the Kilburn Community Centre.

For regular updates about developments in the City of PAE, keep an eye on our website and social media channels.

PAE IS THE WELCOMING CITY

"Welcoming is not just the right thing to do, it's the smart thing to do."

The City of PAE is proud to be the first council in South Australia to join the Welcoming Cities Network. The network supports local councils and community leaders to leverage the ideas and innovation that come from being welcoming and inclusive, whilst working to remove barriers for new arrivals.

Mayor Gary Johanson said, "Welcoming Cities is an initiative for cities that want to demonstrate their commitment to providing a place where people from all walks of life can feel safe, secure and welcome."

"As the first South Australian council to officially join Welcoming Cities, we have committed to take steps toward creating an environment that unlocks the full potential of all members of our community."

"We recognise that cities which proactively foster an environment of belonging and participation for new arrivals as well as emerging communities, increase their social cohesion, economic capability and resilience," he added.

"Joining the network highlights unity, shared values and will ensure that diverse voices are listened to and celebrated."

Council will now work towards becoming accredited under the Australian Standard for Welcoming Cities to benchmark policy and practice in cultural diversity and inclusion.

Welcoming Cities supports Local Governments committed to becoming more welcoming through the following four approaches:

Knowledge Sharing - supporting local governments and communities to learn from each other and access resources, research, policies, and case studies.

Partnership Development - brokering meaningful multi-sector partnerships that foster a sense of belonging and participation for all members of the community.

Standard and Accreditation - developing and accrediting the Australian Standard for Welcoming Cities to benchmark policy and practice in cultural diversity and inclusion.

Celebrating Success - showcasing leading practice through a National Award focused on responses by local government and communities to welcoming efforts.

The Welcoming Cities program is an exciting initiative from Welcome to Australia and the Scanlon Foundation. Find out more at www.welcomingcities.org.au.

'Our North is the South' by INTI

PRESERVING UNIQUE MARITIME HERITAGE OF THE PORT

A maritime precinct has been proposed for Dock 2 at Port Adelaide as part of the State Government's plans to preserve and promote the district's unique maritime heritage.

Dock 2 is identified in the Historic Ships and Boats Strategy as the preferred site to host land-based historic vessels such as the City of Adelaide clipper ship and the schooner Nelcebee.

The Strategy was released in April to coincide with the 30th anniversary of the One and All – the iconic purpose-built sailing ship operated by volunteers.

The Strategy sets out a plan for preserving and celebrating the unique maritime heritage of Port Adelaide and makes a series of recommendations, including that existing water-based vessels, such as the One and All and the Falie, should remain at their location at McLaren's Wharf. You can download a copy of the Historic Ships and Boats Strategy at www.ourport.com.au

'Violet' by Amanda Lynn

WONDERWALLS BRINGS WALLS TO LIFE IN THE PORT

Local, national and international artists have completed some amazing huge murals in the Port. So we grabbed the camera and went to check out some of the awesome artwork being created on local walls!

Wonderwalls was presented by Renewal SA, The Hours and Verb Syndicate, together with the City of Port Adelaide Enfield, Ironlak and Taubmans, and is just one example of how we are working together with the State Government to revitalise the Port Adelaide area.

Grab a map from the Visitor Information Centre or download the Wonderwalls Port Adelaide app from the App Store or Google Play and see for yourself!

Solmaz and Chloe

LIBRARY STORYTIME

Our libraries are about much more than just borrowing books; they are a place full of fun for everyone. We have a whole range of programs for children of all ages throughout the year as well as themed event programs during school holidays which you can find on our website and social media pages.

Storytime features activities for 2–5 year olds to enjoy. With songs, stories, craft and more fun activities, it is a great way to engage young children and teach them new things in a fun way. Solmaz brings her daughter Chloe to Storytime at Greenacres Library, “I come to Storytime because it gives Chloe confidence and allows her to socialise with other children her age.”

“It is also great to get her involved in learning and helps to teach her concentration and is different than learning at home” she added.

Storytime is free and runs every Monday at Port Adelaide, Tuesday at Greenacres, Wednesday at Enfield, Thursday at Semaphore, and Friday at Greenacres during school terms. No booking is required, just turn up!

2017 READING CHALLENGE

You can win a \$100 Book Voucher!

Just register with our libraries, read books from at least 12 categories during the challenge and then let us know what you’ve read by Saturday 2 December 2017.

To register, email your name, phone number and email address to library.competition@portenf.sa.gov.au

We will ensure that you are on our Library eNewsletter distribution list so that you receive monthly encouragement and recommendations.

If you don’t have access to email, you can register in person at any City of PAE Library.

Go online www.portenf.sa.gov.au/library to download the 2017 Reading Challenge list of categories and the full terms and conditions.

YARTAPUULTI ATHLETICS

The Port Adelaide Athletics Club received an integration grant from the Office of Recreation and Sport in 2016 to set up a brand new Indigenous athletics programme.

Flyers were distributed through local schools and council networks to help get the inaugural squad together.

Kaurna elders gave the Club permission to use the Kaurna word for Port Adelaide – Yartapuulti.

In the club's first year, 37 athletes entered the programme ready to give it their all. Athletes were coached on fitness, technique, sprints, jumps and throws with the view to competing at Athletics SA interclub meets.

The club recently held their presentation night Chair of the Port Adelaide Enfield Council’s Aboriginal Advisory panel, Michael O’Brien Kumatpi Marrutya presented each athlete with a framed certificate and a photo of them competing. For more information on the club and how to join, please contact Kathy via email contact@paac.net.au

NATIONAL RECONCILIATION WEEK BREAKFAST 2017

On the 19 May the National Reconciliation Week Breakfast 2017 celebrated the 50th anniversary of the 1967 Referendum, a vote to include Aboriginal and Torres Strait Islander peoples in the Census.

In the spirit of Reconciliation, the Port Adelaide Enfield Council was represented at the Breakfast with CEO Mark Withers, Cr Tony Barca and his wife Lisa, a mix of staff and Aboriginal Advisory Group members.

Chair of the Port Adelaide Enfield Council’s Aboriginal Advisory Panel, Michael O’Brien Kumatpi Marrutya, performed the Kaurna Welcome to Country.

Northfield Primary School, had assembled a mix of Aboriginal and non-Aboriginal students under the guidance of Aboriginal Community Education Officer Josie Warrior, created and performed their reconciliation danced to the Michael Jackson song “Black or White.”

COMMUNITY

*A City that supports
community wellbeing*

The Heroes Ryan, Jayden and Locky with Mayor Gary Johanson

YOUNG LIGHTSVIEW HEROES

Earlier in the year, a fire broke out at a residential property in Lightsview. Three young men, Ryan Coccetti (17), Jayden Hazzard (13) and Locky Williams (16) were on their way to Latitude at Greenacres when they noticed smoke coming from a house and went to investigate where it was coming from.

After identifying the house, these young guys alerted residents, neighbours and the fire brigade, before assisting with the evacuation of the property and neighbouring properties.

The story came to the attention of Cr Mark Basham from Northfield Ward, who wanted to show Council's appreciation for their efforts and positive contributions to the safety of their community.

At the April Council meeting, certificates of appreciation were awarded to recognise their selfless and brave acts in helping others to safety.

Jayden's dad Cam said, "The boys are still on a high relishing in the moment, receiving this award really meant a lot to them."

This story highlights just a few of the fantastic young people we have living here in the City of PAE!

If you have a good community news story to share we would love to hear from you. Email communications@portenf.sa.gov.au and don't forget to include photos if you have them.

- Cowan Street Angel Park, revocation of community land status.
- Dauntless Avenue Reserve (Hillcrest Stadium), revocation of community land status.

For more updates visit www.portenf.sa.gov.au

Regency Park Golf course

REGENCY GOLF CLUB CELEBRATES SUCCESS

The City of PAE operates a number of public golf courses where the fairways are smooth and flat, and the greens soft and true. Regency Park, Valley View and Glanville golf courses each offer their own unique challenges.

As a founding member of the Public Courses Pennant Association, Regency Park Golf Club has had a team in both Division 1 and Division 2 since 1983. This year, a Division 3 competition was established to give 14 plus handicap players the opportunity to play in a match play competition representing their club.

After the home and away games concluded this season, the club had a team in each Division Final. The Division 1 team won, defeating North Lakes. Division 2 were defeated by North Haven and Division 3 were defeated by North Adelaide, although the results were close.

Since 1983 Regency Park Golf Club has won the Division 1 Pennant 18 times and Division 2 13 times exceeding competition expectations against larger clubs.

Patron of the Regency Park Golf Club, Cr Mark Basham said, "Not only am I proud to be associated with the Regency Park Golf Club, I am proud of the beautiful course they play on, which is a great credit to Council staff. It is a wonderful facility that all people can enjoy, even a beginner like me."

You can find out more about our public golf courses on our website www.portenf.sa.gov.au

Port Adelaide CEO Keith Thomas, Steven Summerton, Susan Close MP, Jessica Thomas from DCNS and Mayor Gary Johanson

DCNS SPONSORING MAGPIES

Recently, Port Adelaide Magpies welcomed their new sponsor, French naval shipbuilder DCNS which is working alongside the club, City of PAE and State Government to regenerate the Port Adelaide region with new jobs and new pride.

City of PAE Mayor Gary Johanson said, "It's fantastic to see the Port undergoing a huge redevelopment at the moment with so many new businesses opening, renovations and construction projects. It's great to have DCNS getting involved locally alongside the football club which is already so deeply embedded in our community."

Port Adelaide Football club CEO Keith Thomas told the Advertiser, "Both the club and DCNS want to regenerate Port Adelaide. DCNS will do that with jobs. We as a club are deeply rooted in the Port Adelaide community and will do that by encouraging youth to follow education paths in science, maths, engineering and technology to take up the long-term jobs being delivered by DCNS."

The City of PAE has had a long running partnership with the Port Adelaide Football Club to deliver a number of programs in the community.

HILLCREST COMMUNITY CENTRE 20TH BIRTHDAY CELEBRATION

Council owns and operates four community centres in the City of PAE. They are hubs of activity and great places to socialise with friends whilst perhaps trying something new.

On 22 July, the Hillcrest Community Centre will celebrate it's 20th birthday.

We are keen to hear from anybody who has used the centre in the past. We would like to hear your stories and memories about the centre. Do you have any pictures? If you do, we would love to see them and maybe use them in an exhibition on the day.

We want to make sure that we mark this special occasion appropriately and that as many of our community members and centre users have the opportunity to contribute to the day. Whether you can sing, dance, create artwork, cook food or donate some time to help in preparations, we would love to hear from you.

If you would like to be involved with the event or can assist us by sending photos, please call Steve on 8266 7267.

community wellbeing*

Rise Community Youth Group

YOUTH GROUPS PROVIDE A POSITIVE ENVIRONMENT FOR YOUNG PEOPLE IN THE EAST

For the past six years, the Rise Community Youth Group has been running programs and activities for young people in their state of the art facility in Lightsvue.

The group's leaders are committed to making a difference in the lives of young people by taking an active role in mentoring and supporting them through issues such as identity, relationships, friendships, purpose, leadership and endurance.

Their vision is that any young person can connect and belong, be it, through the video games, sports, music and challenges whilst establishing quality relationships with other young people and leaders.

There are two programs that run parallel to each other, each with upwards of 60 students attending each week. The two programs are separated so each age group can connect on their own personal level.

Mentors include teachers, chaplains and various other child-related professions. This helps the group to cater for students with additional needs, such as Autism Spectrum Disorder and Attention Deficit Hyperactivity Disorder (ADHD). They also work with the Department of Child Protection to support children in care.

Group Leader Nathan Watkins is proud of how the group can provide a positive environment for children. "One child I'll always remember, first attended when he was in Year 7. At the time his family was stuck in a cycle of destructive behaviour. The youth group to him, was a place where he felt like he belonged and was loved and cared about. What appeared to be an almost hopeless situation has now become a student with drive. He finished Year 12, won a Children's Week Award for volunteering with children and is training to be a manager at a fast food restaurant."

The Rise Community Youth Group is Christian-based, however there is no expectation or pressure that participants change their religious views. The group is for Year 5 to Year 12 students and runs every Friday night 6pm-8:30pm during the school term. For more information contact Nathan Watkins on 0449 621 708.

GROWING FOR GOLD SPORTS PROGRAM COMING IN OCTOBER

Growing for Gold is a brand new program for the City of PAE which encourages young people aged 3-16 to participate in sporting and recreational activities within their local community. We are working with local sporting clubs to open their doors to promote their club activities free of charge to participants.

All club sessions are fully supervised and designed to introduce young people to a wide range of different sport and recreation opportunities. There is a focus on being inclusive, having fun and learning something new whilst getting active.

Built into the event is an incentive scheme that encourages young people to try different activities and most importantly to take the next step of joining a club of their choice.

The Growing for Gold program is an excellent opportunity to promote your sports club to the local community and increase participation and membership through your programs.

Registrations close very soon, so if your club is interested in being involved or would like further information please contact Paul Zimny or Lucas Norman on 8405 6736 or email lucas.norman@portenf.sa.gov.au.

Growing for Gold is an initiative of the City of Salisbury, and the City of Port Adelaide Enfield looks forward to partnering with them and bringing it to our community in 2017.

Film crew from Chinese TV show 'Speed' with Mayor Gary Johanson

CHINESE TV FILMED LOCALLY

In April, a Chinese film crew from the show 'Speed' hit the streets of Port Adelaide's historic precinct to film stunts coordinated by legendary action producer Bruce Law (*Transformers: Age of Extinction, Mission Impossible 3, Supercop*) and local production company, 57 Films.

In addition to the 120 cast and crew who came to Australia, the show employed 50 local crew and cast. The local production of Speed will help to further strengthen our relationship with China.

Fifteen episodes of the 32 part series were shot in South Australia over three weeks, with much of the action taking place in the City of PAE. Council worked to ensure that the shoot happened without a hitch.

It was exciting to have the crew here and to get to see behind the scenes of an action shoot and we look forward to seeing our streets on show to millions of international viewers!

PLACEMAKING PILOT

Placemaking is about making our city a great place to live, work and play. It's about the planning, design and management of public spaces to capitalise on our local community's sense of who they are and creating places that promote people's health, happiness and wellbeing.

The concept of placemaking is relatively new, but is something that forms a key part of our City Plan 2030. Our new Placemaking, Activation and Engagement team has been working hard on getting started on a range of small projects across all Council wards to trial and learn from the concept of placemaking.

One of these projects is the Parks Library public art project. In order to turn this from a standard public art commissioning exercise to a place making one, the process will have a strong emphasis on engagement and interaction between the potential artists and the communities that have an interest in the new Parks Library. This will ensure that the art that ultimately goes into the site reflects the community, its needs and interests and the ways it will interact with the site.

This is just the beginning. Keep your eye out for more exciting placemaking projects coming soon and don't forget to follow our social media pages for regular updates.

PLACEMAKING

A City where people love to be

NEW BEGINNINGS AT EXPERIENCE CAFÉ

The Experience Café is a not-for-profit community café that exists to serve and support the local community and help break the poverty cycle.

In late 2013 Ruthmary Bond started Experience Café on Hutt Street in the city. The idea was to give those who had found themselves in the 'no experience – no work' catch 22 the opportunity to work in a real café. Since then many have been helped by this much needed local work experience including new immigrants, refugees and students. The volunteers at the Experience café not only gain valuable coffee making and general café skills but are helped by boosting their confidence being in a positive and affirming environment.

Ruthmary opened the second Experience Café at 5 Clifton Street Blair Athol in 2016 and on 11 March this year the new café was abuzz with people, music, food and activities as they celebrated their first birthday. The celebration was also a re-launch as the cafe was handed over to a new manager/operator.

The new manager, Sophie Langley is also an artist and is keen to give plenty of opportunity for creative expression in the café community. Regular art exhibitions are one of the new features and also a vibrant art group on Friday morning called Creative Connections. Other new activities include a Friday morning English conversation group with Belinda, a friendly and skilled ESL teacher; also a multicultural women's support group and even a 'singing bowls' practitioner has been coming in with some good vibrations on Wednesdays!

There is a delightful community garden behind the cafe and Jenny, who heads up a group meeting Wednesday mornings, is excited to be implementing a new permaculture design. The café's manager, Sophie, is coordinating with Jen in the garden and Briony in the op shop (also on the property) to create a thriving community hub.

The café is open Wednesday to Saturday 10am – 3pm so make some time to come check out this innovative and exciting community endeavor; Sophie and the staff would be very pleased to see you and you can sample some yummy fresh homemade lunches and cakes – and of course fantastic coffee!

Paper making classes held at Experience Cafe

PORT REDEVELOPMENT CONSULTATION REPORT

Over 330 people attended the recent Port Adelaide Waterfront Redevelopment Community Engagement Open Day to learn about and comment on the progress of the next stages of Port Adelaide's rejuvenation.

The atmosphere at the Open Day was positive with considerable overall support for the redevelopment. Many participants were keen to see the progress and a continuation of housing development in Port Adelaide.

The community's responses about their vision of more people living, working, investing and spending time in the Port included arts, festivals, open space, markets and museums, with an emphasis on preserving and recognising the Port's character and its community.

You can read the full report on the Our Port website.

John and Colin

TURNING THE TIDE ON PLASTICS IN OUR OCEANS

Adelaide artist Andrew Baines is known for his high impact, surreal images. Members of the public took part in his latest art piece and became part of a living art work with a message in Largs Bay during May.

A series of photographs were taken which aimed to draw attention to the devastating impact of micro-plastics in our oceans.

Mayor Gary Johanson had pushed the project and was excited about the opportunity to get people thinking about their natural surroundings in new ways.

“We are working together to raise awareness of the impact of plastics on marine environments and to encourage solutions to plastic problems and marine litter along with the devastating effects these have on our natural environment.”

“It is a chance to contemplate the ocean whilst creating a living art work for onlookers to ponder over.”

Andrew said, “You’re standing in the water for 15 to 20 minutes and you’re just looking out into the horizon and you sort of become one with nature and it brings out your primeval sort of instincts.”

Mayor Johanson said, “Protecting our environment forms a significant part of our City of Port Adelaide Enfield City Plan 2030.”

“As we move into the future we are looking at everything from waste management planning through to how we can implement programs, all with the goal of becoming more environmentally sustainable and protecting our natural assets for ourselves and for future generations.”

The event was a collaboration between United Nations Association of Australia (SA), The City of Port Adelaide Enfield, United Nations Information Centre and Surrealist Artist Andrew Baines.

PAINTING THE WAY

John and Colin have spent the past 13 years working together marking road lines right across the City of Port Adelaide Enfield. Although not all roads have lines on them, City of PAE is responsible for 691km of local roads and our line-marking teams work over a two year cycle meaning that every line gets painted at least once every two years.

We have 250km of white lines and 93km of yellow lines on our streets, but when you add onto that everything else such as parking spaces, give way blocks (2645m²), stop markings (556m²), white splay (5808m²), bike symbols (253) etc. That’s an awful lot of paint!

If you see any road markings that need our attention please let us know through our Online Services Portal at www.portenf.sa.gov.au or give us a call on 8405 6600.

DRAFT ENVIRONMENT STRATEGY

Consultation on our Draft Environment Strategy 2022 was held throughout March and April. Thank you to everybody who participated in workshops, drop in sessions and provided written submissions. Feedback on the Draft Strategy has been very positive. Some of the suggested areas for change included strengthening the Strategy’s focus on built heritage issues, cultural landscapes, environmental education and behaviour change, greening of the urban environment and having a clear implementation plan.

This feedback is being used to update the Strategy before the final draft is considered by Council in July.

JACK WATKINS DRY ZONE

After a successful 12 month trial period that expired on 31 May 2017, the State Government has approved Jack Watkins Reserve in Kilburn to become a permanent Dry Area effective 1 June 2017.

BEST VERGES

Congratulations to the winners of our inaugural Best Verges Awards for 2017. Whilst we had some amazing entries showcasing their much loved and cared for verges, we could only pick a few winners.

- James McKnight from Largs North
- Heather Lynch from Windsor Gardens
- Mary and Bill Cook from Largs Bay
- Jennifer Manders from Semaphore

Do you have a potentially award-winning verge? Stay tuned to enter our next Best Verges Awards which will be announced shortly!

For more information about beautifying your verge, please download our Verge Development Guidelines available on our website or call 8405 6600.

A City of opportunity

Mega Courts Indoor Sports

BUSINESS SUPPORT GRANTS

In January 2016 the State Government launched the Northern Economic Plan which covers the cities of Port Adelaide Enfield, Salisbury and Playford. The plan was in response to the impending closure of the Holden's factory at Elizabeth which we now know will close on 20 October 2017.

One of the outcomes of the Northern Economic Plan was the creation of a \$10 million dollar fund to assist new Start-up Businesses (grants up to the value of \$20,000) and business expansions for companies with less than 20 employees who have an expansion opportunity (grants up to the value of \$100,000). The funding is on a dollar for dollar matched basis for capital improvement projects that have direct employment outcomes – creating new jobs in the region.

Up until 31 May 2017 approximately 20 new Start Up businesses and 25 expanding businesses shared in almost \$1.98million in grants within the City of Port Adelaide Enfield. This equates to almost 100 new jobs in the region.

With the businesses matched funding that is an injection of nearly \$4million into supporting jobs growth of Port Adelaide Enfield businesses. This is a great outcome for the local economy and increasing employment opportunities across the Council.

One of the businesses successful in gaining an expansion grant was Mega Courts Indoor Sports at Windsor Gardens. The grant assisted in the expansion of the range of activities offered and establishment of a retail presence resulting in 5 FTE jobs.

If your business is considering applying for one of these Start Up or expansion Grants, the next round of grants closes on 12 July 2017.

An information session to assist businesses with the grants along with tips on preparing applications will be held at the Adelaide Business Hub (6 Todd Street Port Adelaide) at 10am on 29 June. To register your attendance at this free workshop email: reception@adelaidebusinesshub.com.au

For further information on the Small Business Expansion grants visit: www.looknorth.com.au or contact our Economic Development Staff on 8405 6600 or email ecodev@porten.sa.gov.au

NOMINATE NOW FOR 2017 BUSINESS AWARDS

Do you know a business or business person in the Port Adelaide Enfield Council region that you think should be nominated for the prestigious 2017 Business Awards?

The City of Port Adelaide Enfield is a proud supporter of the 2017 Business Awards which celebrate excellence and quality. The Awards are presented by the Port Adelaide Rotary Club and the North West Business Alliance with major support from Peter Kittle Holden.

The Business Awards recognise outstanding qualities and achievements of local businesses, whilst strengthening relations between businesses and community organisations, and highlighting potential business opportunities in our city.

The awards have been designed so they can be a self-nomination or customers can nominate a business or business person that they believe should be considered for these Awards.

To nominate, a business must be established in the Port Adelaide Enfield Council area for more than two years and have demonstrated excellence in one or more of the following categories:

- Ability to meet emerging customer needs/market developments
- Customer service
- Staff support and development
- Quality of service
- Quality of products
- A history of community involvement and support

To nominate for Entrepreneur of the Year, a business must:

- Be established in the Port Adelaide Enfield Council area for less than two years and/or undertaken a new and innovative project in the last 2 years that has the potential to expand the business
- Demonstrated excellence in one or more of the following categories:
 - Ability to meet emerging customer needs/market developments
 - Customer service
 - Staff support and development
 - Quality of service
 - Quality of products
 - An ethos of innovation and creativity in business
 - Community involvement, both present and future

Nominations open Wednesday 28 June and close 5pm Friday 4 August 2017. For further information on the Awards and to download a nomination form, please visit our website www.portenf.sa.gov.au or contact Economic Development Staff on 8405 6600 or email ecodev@porten.sa.gov.au
